Ministry of Fisheries

In 9 years

- Iwi have contributed to the development of Ohiwa Harbour Strategy since 2002 – integrated kaitiakitanga action is the focus
- Each Iwi is represented on the Ohiwa Harbour Strategy Co-ordination Group – i.e. the staff forum
- Each iwi is represented on the Ohiwa Harbour Implementation Forum – i.e. the ‘Recommenders’ forum
- Iwi planning document is drafted and being implemented
- Iwi site visit together, support to each others activities and collaborate in fisheries matters
