Refer Part 7 planning maps	Refer Part 7 planning maps	Oppose	We require a moving of the boundary line for the Outstanding Natural Feature and landscape. The site is developed and utilised for a holiday site/accomodation, is mown regularly and it is intended to build on the site in the future, this area would severely restrict our ability to utilise our property as we do and intend to do. We have attached a plan as attachment 1 showing a suitable place for the boundary to be located which allows those sections which currently have access to be able to utilise there properties. We have highlighted the appropriate boundary
