Submissions on  
the proposed  
document are open from  
27 May - 24 July 2017.

## **Why is it important to have your say?**

This is an opportunity to contribute to the development of the first Kaituna River Document. Once approved, the Vision, Objectives and Desired Outcomes will influence regional and district planning decisions.

# What we have come up with so far

## Proposed Vision:

The Kaituna River is in a healthy state and protected for current and future generations

## 8 Objectives and 21 Desired Outcomes

### Iwi Relationships with the River

#### Objective 1

The traditional and contemporary relationships that iwi and hapū have with the Kaituna River are recognised and provided for.

#### Objective 2

Iwi-led projects approved by Te Maru o Kaituna, which promote the restoration and enhancement of the Kaituna River, are taken into account in the long-term and annual plan processes of local authorities.

### Water Quality and Quantity

#### Objective 3

Water quality and the mauri of the water in the Kaituna River are restored to a healthy state and meet agreed standards.

#### Objective 4

There is sufficient water quantity in the Kaituna River to:

- support the mauri of rivers and streams, and
- protect tangata whenua values, significant ecological values and recreational values.

#### Objective 5

Water from the Kaituna River is sustainably allocated and efficiently used to provide for the social, economic and cultural well-being of iwi, hapū and communities, now and for future generations

### Land Use

#### Objective 6

The environmental well-being of the Kaituna River is enhanced through improved land management practices.

### Ecosystem Health

#### Objective 7

Ecosystem health, habitats that support indigenous vegetation and species, and wetlands within the Kaituna River are protected and enhanced.

### Te Maru o Kaituna in Collaboration with Iwi and the Community

#### Objective 8

The environmental, economic, social, educational and cultural aspirations of iwi and the wider community are supported by Te Maru o Kaituna through their responsibility to promote the restoration, protection and enhancement of the Kaituna River.
